* Archers with bow without sight, stabilization or with traditional bow

Real Archery Tournament

22nd to 23rd February 2020

Additional Information

- There will be three categories in the **Compound** and **Recurve** divisions: **Kids (age up to 12 years)**, **Youngs (13 to 17 years old)** and **Seniors (18 years of age or over)**. In the **Kids** and **Youngs** categories the separation of registered archers is made by division shooting male and female archers together (gender separation will only be made if the number of archers justifies it. The criterion for this separation will be the existence of 8 archers by division and gender).
- In the **Freestyle** category all archers shoot together without distinction of gender and age.
- The **Prize money** will only be awarded to Freestyle and Seniors (Compound and Recurve) categories.

Note: Archers from the **Young's** category (under the age of 18) who so wish and indicate at the registration, may compete for **Prize money**, integrating in this case the **Seniors** category at Qualification and Elimination Rounds.
